Ryan and Taylor working on puzzles

Ryan, Taylor and Fletcher during Nature. Fletcher is petting the Long Haired Guinea Pig.

Alexander making some green shamrock prints on his paper.

Look at what we are learning!

Dear Parents,

The symbols of St. Patrick's Day are the shamrock, the rainbow, the Leprechaun, and the pot of gold! We will look for golden coins. We will start by finding the rainbow, at the end, we will find an empty black pot, but where are the coins? When we find one for ourselves, we will help our friends to find one for them as well. **We are lucky to have each other!**

We will enhance our listening skills by playing the game hide- and -seek. We will hide a little Leprechaun and take turns to find him. Our singing voices will be the clue. The louder we sing, the closer to the Leprechaun, we will be. The softer we sing, the farther we will be from him. When we find the Leprechaun, we will be given a shamrock as a prize for finding him.

We will listen to Irish music while we work on our shamrock prints and dance to Irish music as well.

Happy Birthday Ryan and Fletcher! You are turning 3! Thank you, Mrs. Tarpey and Mrs. O'Neil for bringing in all the goodies for the birthday party and celebrating St. Patrick's Day with us. Thank you also for reading books to our class. We will truly appreciate the time you will spend with us.

May the Irish luck be with you all!

The Week Ahead

We will practice our dramatic play by acting out the " Little Miss Muffet" and "I Am The Little Tea Pot" Nursery Rhymes and we will also have Gym on Wheels.

Special Announcements

We will have a Spring Party celebrating **Eliza's Birthday! on Tuesday April 9.**

We will have **Gym on Wheels on April 11.**

School will be closed April 16 and 18 because of - Spring Break.

we will have **Nature on April 25.**
