*The first installment is due when your child has been accepted to the program. Please submit a check for this amount when applying to the program. It includes the \$50 registration fee.

Policies:

- The \$50 application fee is non-refundable.
- Tuition can be paid in full, semi-annual payments or by an installment plan. Partial scholarships are available based on need. Tuition assistance may be available based on need.
- The first installment is due at submission and deposited upon acceptance in the program. There will be no refund of money paid once a child has been accepted and registered into the program. If your child is placed in your second choice (and waitlisted for your first choice) and you do not want your child placed in that class, you must notify the school office in writing within 7 days. Otherwise, we will assume you want the spot and will deposit your first installment check.
