## **What We Did in School This Week!**

This week we learned about why the leaves changed colors, we recognized shapes and counted from 1-10, used tin foil to create art, played on the playground, strung beads, and started to use scissors. With a short week, we did a lot and had a blast doing it.

During circle time on Wednesday we talked about what we were going to be on Halloween; we have some super heroes, Disney characters, classic costumes and much more. When it was time for the teachers to see what they were wearing the children told us we should be ghosts, witches, or pumpkins. When it was time to do our calendar job I said, the calendar helper is wearing a yellow shirt, who could that be? The class pointed to Anders so the teachers said what's his name they all shouted out "Rubble" who was the character on his shirt from Paw Patrol.

Next week on Monday, we will have a special visit from the Larchmont Fire Department, as well as Mila and Gray's birthday party. On Wednesday, we will have our first gym on wheels; please make sure your child wears socks and sneakers.

See you Monday ☺
