

Ms. Fois' Classroom Newsletter Week Ending: 9/28/18

Looking Ahead
All about apples!

Reminders
We will be baking Friday
Oct 5th if anyone wants to
come in and help us out

What We Did in School This Week!

Welcome to our classroom newsletter! The class has started to settle in nicely and everyone is starting to make new friends. This week was all about "Getting to Know Me"; we did dot paint art, decorating our crayons, and these are my handprints. As we did these projects we started to socialize with each other. On Monday, the children giggled while making their dot art. Elliott said, "I'm making this for my mommy". On Wednesday, we made our crayons for the outside bulletin board; Emily was excited to decorate her red crayon she said, "red is my favorite color".

We got to go to the playground and even got to check out the big room on the rainy day. The children enjoyed playing with the cars, seesaw, bikes and the slide. Luke played with the bike and said, "I'm driving up the wall".

Next week we will be learning all about apples. We will be finger painting apples, apple collaging, apple printing, and even baking some apple turnovers. We will also be using apples in our water table and science center.

See you on Monday ☺
