

Ms. Fois' Classroom Newsletter Week Ending: 11/16/18

Looking Ahead
HAPPY THANKSGIVING

Reminders
Thanksgiving Feast is on
November 19th
Parents are invited to join us at
11 am

What We Did in School This Week!

We want to congratulate Hailey and her family on their new addition to the family. We are so happy Hailey is now a big sister. Congratulations on the new baby boy!

On Wednesday, we had a fun filled day with two projects, nature class, and a sing-off. We created hand print turkey's that will be displayed in our classroom for our thanksgiving feast on Monday.

We then sat at the table as a group to listen to music and make our necklaces for our thanksgiving costumes. After all of the fun projects we went to nature where Sam talked to us about animal movement. He showed us Sammi the Quaker Parrot, Chicken Little the Bantam Hen, Gracie the Netherlands Dwarf Rabbit, Vinny the Vinegaroon, and Pebbles the Gerbil.

The children gathered together with Mrs. Umbro's class and learned about how different animals move; fly, hop, use tunnels, run, zig-zag, and crawl.

Please practice the songs at home.

See you Monday ☺
