

# Ms. Fois' Classroom Newsletter Week Ending: 11/30/18

## Looking Ahead Santa's Workshop

## Reminders

If your child will not be in School the week before Winter Break please notify me via email so I can make sure they get all of their work and "gift from Santa".

## What We Did in School This Week!

This week we discussed what we did on Thanksgiving; we talked about what foods we ate and how much fun we had with our families. On Monday, we started off the holiday season by cutting and painting holiday bells. We started to listen and sing to holiday music and discussed how this time of year is all about friends and family. We had a blast running around the big room and sharing all of our toys. On Wednesday, we learned about the different holiday's during the month of December. We discussed the upcoming holiday Hanukkah, and made a dreidel. We also painted holiday lights and celebrated Elliott's birthday with his family. On Friday, we created a Christmas tree by using Q-tips to dot paint lights. We talked about who has started to decorate for the holidays and discussed what they wanted from Santa.

Just a reminder: The weather has started to get cold; please make sure to swap out your child's extra clothes for the current season. We wouldn't want a child to be in shorts on a cold windy day. Also, please make sure that you or the babysitters walk the child into the classroom at drop off and sign them in. At dismissal time please make sure you are not blocking the door so others can sign the sheet. Also, please try not to peak into the window; the children get anxious when they see people waiting for them.

Thank you and have a wonderful weekend ☺
